ORDER

On May 31, 2006, this Court ordered that no formal discovery was to be allowed in this case without leave of Court. On July 3, 2006 Plaintiff filed a motion for leave to conduct further discovery (Doc. No. 32). Said Motion is **GRANTED** in part and **DENIED** in part as follows:

Request 1: Denied as overly broad and not calculated to lead to evidence that is admissible at trial.

Request 2: Granted.

Request 3: Granted.

Request 4: Granted as to Plaintiff only.

Request 5: Granted but only from the date of the allegations of Plaintiff's Complaint.

Request 6: Denied as overly broad and not calculated to lead to admissible evidence.

Request 7: Granted.

Request 8: Granted.

This Order does not preclude Defendants from raising any objections available under the federal rules of discovery. IF objections are raised and Plaintiff wishes to contest those objections, he is to file a motion to compel within 30 days of receiving the objections.

Defendants have until August 7, 2006 to respond to these discovery requests.

**IT IS FURTHER ORDERED** that the parties are allowed ten (10) days from this date to appeal this order to a district judge pursuant to Rule 72.1.3(B) of the Local Rules for Magistrates. Failure to appeal within ten (10) days shall constitute waiver of the right to appeal.
